A SPECIAL THANK YOU TO OUR PARTY SPONSORS!

PRESENTED BY:

The Florida Times-Union

Jacksonville has spoken! The awards tonight are not won by opinion, but rather by vote. "Our desire is that this award program will spotlight your businesses, keep your loyal customers coming back, and maybe even encourage some new customers to try you for the first time," Borten said. "The people in this room are the leaders of the Jacksonville business community — your contributions are what help ensure our community's continued growth and success."

This year's Bold City Best competition has plenty of success stories — from first-time winners to those businesses garnering the most votes in multiple categories for the fourth-straight year. It was also a special evening for Bill Offill. He had the opportunity to introduce himself to many business owners and guests after recently being named Group Publisher of GateHouse Media's Coastal Group, which includes the Florida Times-Union, St. Augustine Record and Daytona Beach News-Journal.

"To think how great these businesses are and to be named 'Best of the Best' is a big deal," Offill said after the awards presentation. "I'm glad that Times-Union Media is a great community partner to host such an event.

The highlight of the evening, however, didn't include a voting process. "Although we traditionally celebrate such an event, 'Although we traditionally celebrate such an event, ''Offill said. "And to come up on stage, it started the night off in a way I couldn't ever imagine. It was awesome."

It was, indeed, a special night for law enforcement. "They're true heroes," Offill said. "And protecting life took precedence, and for that we think they are the best.

The audience gave a long and appreciative standing ovation to eight members of Firehouse 1's B Shift as they came on stage. "They're true heroes," Offill said. "And for the first time, ''Borten said. "The people in Jacksonville, we felt this evening would not be complete without honoring some of the best in our community in light of the recent tragedy at The Landing." Offill told the audience. "There are no votes for this honor. "Tonight, we have joining us some very special hometown heroes — the crew from Jacksonville Fire Rescue's Station 1 that was training nearby when the incident occurred," he said. "This crew quickly took action before law enforcement arrived, not knowing what they were walking into. Their devotion to protecting life took precedence, and for that we think they are the best.

The audience gave a long and appreciative standing ovation to eight members of Firehouse 1's B Shift as they came on stage for special recognition. "They're true heroes," Offill said. "And to come up on stage, it started the night off in a way I couldn't ever imagine. It was awesome."

Underwood’s has strived to be the best jeweler in the South since 1928. We have earned this reputation through our dedication to a long term Quality Philosophy. That being, fine quality will bring customers back and create new customers through the endorsements given to Underwood’s by our satisfied customers in Jacksonville, FL and Ponte Vedra Beach, FL. However, we define quality differently than most stores; because with us, quality is not just materials and craftsmanship, it also includes design, presentation, service, integrity, and your experience in our store. The result of this philosophy is the satisfaction a customer feels when they have chosen that special gift from Underwood’s.

THANK YOU FOR MAKING US BOLD CITY BEST JEWELER.
